3 Million 3 Year Project (2016-2019)
Quit smoking all over Thailand for The king

Medical Association of Thailand
Welcome to EBA Ceremonial Events 2017

International Conference ‘Excellence in Quality’ will be a joint effort of Europe Business Assembly (UK), Academic Union Oxford (UK), European Medical Association (Belgium), Swiss Institute of Quality Standards (Switzerland). The conference will be held in Lucerne on 3 July 2017 and will be concentrated on quality philosophy and top trends, strategies, and quality management practices from the leadership and competitiveness perspective. Key participants are CEOs and seniors, business excellence leaders, top experts on quality and strategic management, leading healthcare service providers, rectors, chancellors, and upper-level executives of Universities and educational institutions.

The main focus of the conference will be on the role models of excellence in 3 sectors: corporate, healthcare and academic.

Role Model: Leading Healthcare service providers

Community of corporate leaders and academics from 48 countries, providing global ranking, expert consulting,
Medical Association of Thailand nominated for EBA candidate “Excellence in Quality” Europe Business Assembly
Title: Leading Healthcare service providers

MAT committee: Good that they saw what we did for Thailand.
Summary of the proposed agenda:

Program: HC MBA delegation from Florida International University
Number of participants: 26 HC MBA students + 1 faculty member
Date: Wednesday, August 9, 2017
Time: 8.30 – 11.00 am.
Venue: Medical Association of Thailand
PAST

Free only for Low Income
More Self care
More time for Complicated

PRESENT

Free of Charge Perception
Less Self care
Over Utilization

Medical Association of Thailand
Health-care professionals do not sell services. They are “Professionals” acting in the best interests of their patients.

Patient Doctor Relationship is gone.
"Maintaining Physical Fitness is a basis for strong and stable Economy as well as Society. For Healthy, both Body and Mind, you can fully enrich the Country as a contributor, not a burden one"

King Bhumibol Adulyadej
22 Oct.1979
In Memory of Our King Bhumibol Adulyadej

Medical Association of Thailand
During the mourning period for the king, Thai people are wearing black, white or dark-coloured clothes.
Thai people are waiting in line to pay their respects to the body of King Bhumibol.
The world pay respects to King Bhumibol
